ELECTION EXTRA

Deborah Clark , Pinellas County Supervisor of Elections March 2015

A Special Note From the Supervisor

Thank you once again to our hard-working staff and poll worker team for helping us conduct elections for eight Pinellas County municipalities on March 10. All 15 polling places reported their results before 7:30 p.m. on election night, and we had one of the largest turnouts for our municipal elections (27.3%).

Spring Cleaning: Voter Registration Information

Spring officially arrives on March 20, and that means it's time for the annual tradition of SPRING CLEANING!

Along with cleaning out the garage, getting rid of unused items in the house and going through your closet, spend a little time spring cleaning your voter registration information with the Supervisor of Elections Office.

- **Have you moved?**
- **Did you get married and change your name?**
- **Has your signature changed?**
- **Have you changed party affiliation?**
- **Would you rather vote by mail ballot?**

Many of these updates can be made in a matter of minutes by visiting our website as part of your annual spring cleaning efforts.

There, you will be able to check what current voter registration information status you have on file, and take the proper steps to update the needed information. You can also call (727) 464-VOTE (8683) for additional information on how to spring clean your voter registration information.
